

Continue_Cycle

Continue_Cycle

Role	Miner
Affiliations	Lunara
Friends	Brilliant_Devil , Kindled_Inferno, Sunlit_Abyss
Enemies	No opps :)
Era	Pantheon of Gods

“ We dive so humanity survives.

About

Member of Lunara.

History

Continue_Cycle joined Lunara/Moon civ in the first session and served as one of its miners. Kindled_Inferno, the other miner, died tragically mid-event which made Cycle the only miner* until the final session.

* There were others, but they mined for one or two sessions before dying
